英文版操作手冊 English Guide

Step 1. Please select "ENG" to proceed to the English version website.

Please note: if your school lists the present curriculum as a mandatory course or requirement for oral exam or graduation, please log on to the website only after being notified by your school; do not register by yourself, so as to avoid compromising your rights.

Step 2. After entering the Research Ethics Education website, sign in from the right side. Mandatory Students: Please select "Students", your school and enter your student ID as account name. The default password is the last 5 digits of your student ID.
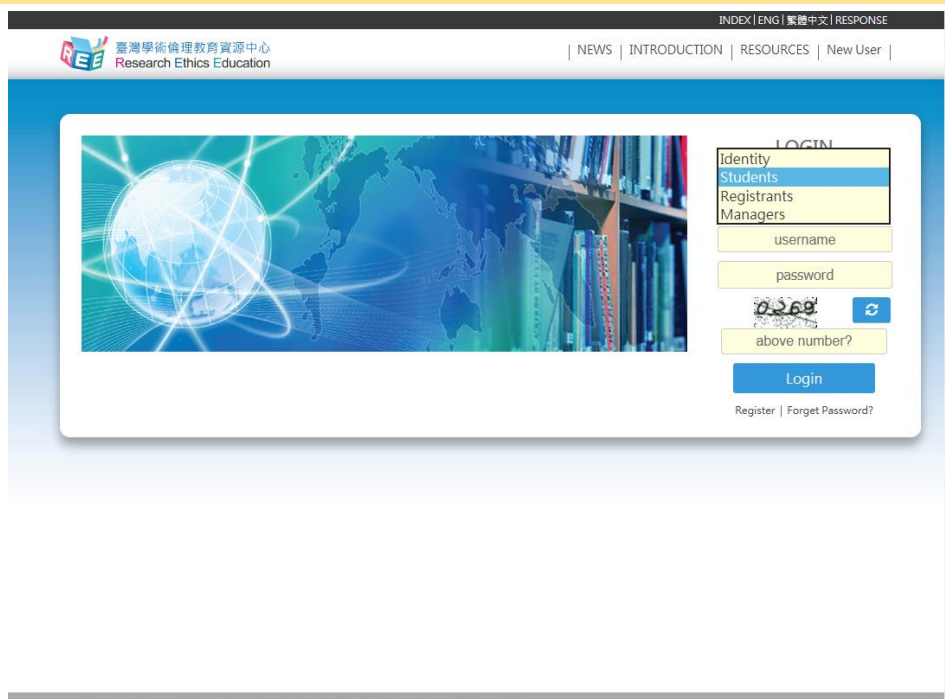

Step 3. After logging in, if you need to change your password or e-mail address, you may do so by selecting your name from the top of the page. If you wish to start classes, please select "Course"→"My Courses", and you may browse through the Research Ethics Education Online Program.

Step 4. After you have completed all core unit(s), you may proceed to the course final exam in "Course". Please select "Exam" to proceed.
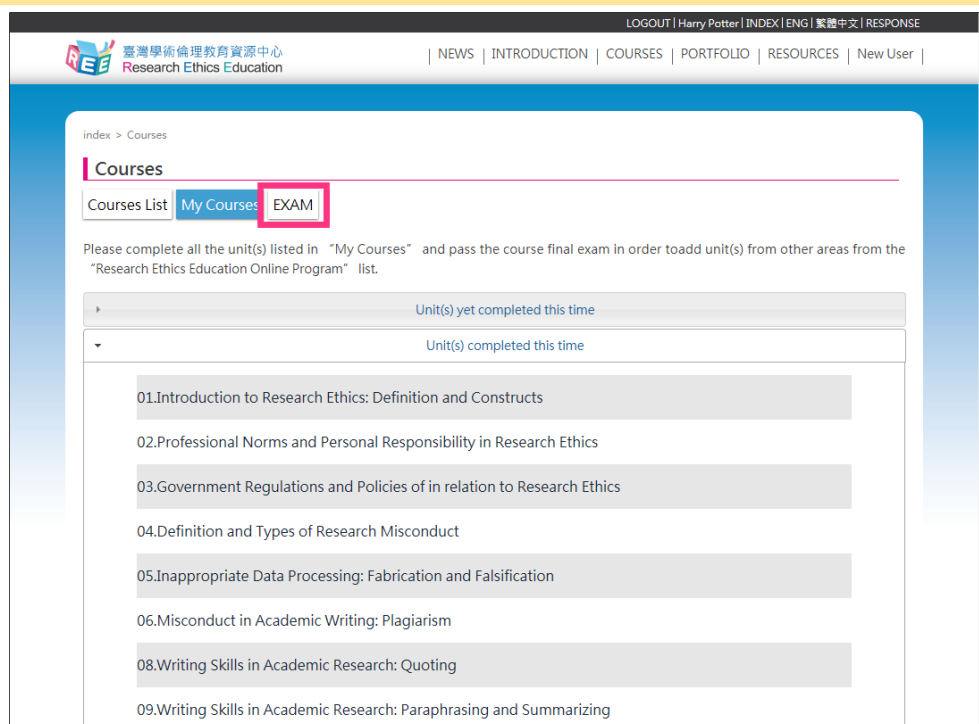

Step 5. Note: Should you leave the page while taking the exam, your answers will not be scored, and you must start over. If you pass the exam, you may apply for the Certificate of Completion. Please verify that your user name is your actual name.
